

2005

**EQUAL – Free movement of good ideas
Varsavia, 25 e 26 febbraio**

CONSER è invitato come “advocate” per
illustrare:

“...how private Companies can help to
improve people’s work-life balance, bringing
benefits to all.

The adaptation of working time by employers
and the provision of services by public and
private organization, including the timing of
services, will be the focus of attention”
